

*Compassion is the
Heart of Our Care*

NEWS FOR JANUARY 2026

2025 was a blast, full of unforgettable moments and amazing memories.

Now it's time to turn the page—2026 is calling, and the best is yet to come! Buckle up and join us for the ride!

We're excited to announce that we'll be starting a weekly in-house store during lunch!

The store will offer drinks, snacks, and personal items for your convenience.

If there's anything you'd like us to carry, please let Amber know—we'd love your suggestions.

To help make our outings smooth and comfortable, we kindly ask residents to **empty walker baskets before boarding the CCP bus**. Items left in baskets can make it harder to fold and store walkers, which affects space on the bus.

If you'd like to bring personal items along, please place them in a **clearly labeled bag**. Our staff will be happy to take care of these items during the outing.

Thank you for your cooperation and for helping keep our trips enjoyable for all!

As we prepare to ring in the new year, we are also getting ready to collect feedback in a new way!

As a change to our once yearly satisfaction surveys, and in addition to monthly Round Table and Hall Meetings, we have engaged the company **Activated Insights** to collect resident feedback throughout the year.

Beginning in January, a percentage of residents will be randomly selected by the company each month and contacted **by phone** for a brief survey.

We will soon be checking with residents to collect phone numbers for those who want to be contacted directly. Alternatively, responsible parties will be called if you prefer or do not have a personal phone.

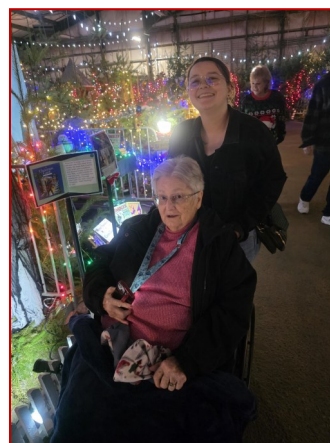

To prepare for a call from Activated Insights, please add the number **877-959-9712** to your phone contact list so it will show as a known number.

Please let Crystal know if you have any questions. We are looking forward to this new opportunity to hear from you!

What a wonderful way to end the year! Our holiday dinner was filled with delicious food, sweet desserts, and amazing entertainment.

As the weather gets colder, we want to help everyone stay healthy and happy.

Please remember to dress warmly when going outside, wash hands often, drink extra fluids, and get plenty of rest.

If you're not feeling well, let staff know right away—we're here to help.

Corvallis Caring Place (CCP), a non-profit assisted living facility that opened its doors in 2002, accepts both Medicaid-qualified and private-pay residents. CCP is overseen by a volunteer Board of Directors and contracts with Aidan Health Services for management services. Residents meet monthly to provide feedback to assure quality services.
